

1) To use **MyScripWallet**, you need to first create a ShopWithScrip® account if you do not currently have one. Go to **www.shopwithscrip.com** and click on the green 'Family Sign Up' button on the left side of the page. This will take you to the 'Family Registraton' page. Simply fill in the required fields on the form and accept the terms and conditions of the site. You will be asked to select two challenge questions and provide answers, which will be required if you forget your password. Keep in mind that your answers are case-sensitive. You will also need to enter our organization's unique enrollment code. This code allows the ShopWithScrip system to link your account activity with our organization. **Code is CDCL3189175L.**

2) You will need to set up an account through **Presto Pay**. When you use PrestoPay, your order payment is transferred securely via electronic debit. PrestoPay is not a credit card system, because credit cards charge fees that are costly for our scrip program. Instead, PrestoPay uses the same electronic payment transfer used by direct deposit systems. It's easy to use, and easy to get started!

Simply log into your ShopWithScrip® account, click on the PrestoPay link in the left navigation column, and enter your checking account information. Complete the steps to verify your information, and **you will receive a secure approval code to email to the scrip coordinator, Christy Vogel at spslcare@spsl.net**

That's it! You will then be able to choose the PrestoPay option when you check out on ShopWithScrip.com or MyScripWallet and have your payment securely transferred from your checking account right to our organization. **A \$0.15 convenience fee will apply to each order.**

3) Go to the website **MyScripWallet.com** on your phone and add the log-in screen to your home screen. Sign-in with the account information you used in step one above. You can now order numerous gift cards. Many are downloadable to your phone and the vendor will just scan your phone for the gift card. There are several vendors that require printed eCards that need to be printed before being presented to the vendor. (Example: Petco is one a vendor that requires a printed eCard). It will state on the screen before you purchase if a printed eCard is required.

There are **over 200 vendors** that participate in the ScripNow/MyScripWallet program. A few major retailers/vendors are Target, Walmart, Whole Foods, Panera, Applebees, Amazon, Lowe's, Home Depot, Starbucks, Pizza Hut, Pottery Barn, Cabela's and Best Buy.
