ST. PIUS X/ST. LEO SCHOOL

Hello Middle School St. Pius X / St. Leo Families!
Brownell Talbot is offering a variety of summer camps geared towards middle school students. With programs focused on STEM, fine arts, and leadership, we have something for everyone!

If your sixth - eighth grader enjoys robotics or theatre, these three camps below are a wonderful opportunity for them to work on these skills over the summer! For a full list of all of our summer programs offered, please visit **brownell.edu/camps**.

CAMP DISCOVERY
BROWNELL TALBOT

10-14 JULY

9:00 AM - 12:00 PM

Intro to VEX Robotics
Explore the challenging world of engineering while you design, program, and test your bot! This camp introduces campers to the basics of modeling, mechanical design planning, and programming of your VEX robot system.

17-21 JULY

9:00 AM - 12:00 PM

Technical Theatre Camp
Learn the basics of lighting and sound design as well as set construction, costume design, stage makeup, and more! Campers will implement their learning through BT's summer production, Disney's Lion King Kids.

17-21 JULY

1:00 PM - 4:00 PM

Theatre Improv
Campers will learn core techniques used by actors to perform live theatre in which the plot, characters, and dialogue of a game, scene, or story are made up in the moment.

If you have questions about BT summer camp opportunities or would like to have your child tour our high school, please reach out to Taylor Gustafson at taylor.gustafson@brownell.edu.
