LEARNING, GROWING & SHINING TOGETHER!

HELLO, FAMILIES!

I hope everyone had a good week! In our morning meeting we have been talking about what it looks like to be ready to learn and that we may not be able to do a skill yet.

IMPORTANT DATES

September 22- Picture Day

September 24- healthy snack day

September 25- Communities test

WHAT WE'RE LEARNING

- Single Digit Addition
- Johnny Appleseed
- Saints
- Expository texts
- Nutrition
- Communities

FRIENDLY REMINDERS

Bring a filled water bottle each morning.

Return library books on time.

Return math homework next day

Arrive ready to learn and participate.

FROM OUR TEACHER

2A earned our first classroom party. We watched Toy Story and brought a pillow and blanket. We learned the importance of working with our table group to stay on task and being good listeners and ready to learn. We also had a table competition and the table who had the most tallies after this week got lunch with me.

Learn Something • Try Something • Be Kind
