

ST. PIUS X / ST. LEO SCHOOL FUNDRAISER

Virtual Event on Saturday, October 24, 2020 • 7:00 P.M.

WELCOME

Dear Family and Friends of St. Pius X / St. Leo School,

Wow! What a year 2020 has been! It's really put a lot of things into perspective and helped us all to truly "Focus on What Matters." Our theme this year is drawn from all of our experiences of living through some very uncertain and challenging times that have required each of us to take on new and different roles we never expected. If anyone would have said a year ago that we'd all have to do distance learning at home with our kids, we would have said they were crazy! Yet we made it through, keeping our focus on the things that matter most – Faith, Education, and Community – and we are coming out the other side with a renewed appreciation for the things in life that we may have taken for granted before now (toilet paper, anyone?).

For this year's fundraiser event, though we gather virtually, we still come together as the SPSL Family, to celebrate once again the school and community that continue the Vision our founders had for a great tradition of faith, academics, diversity, and service. The many sacrifices that were made to make this event possible, the generous donations of time, talents, and treasure, are overwhelming, humbling, and greatly appreciated!

We sincerely thank all of you for the parts you play in making SPSL what it is. Each and every student, parent, faculty, staff, and volunteer contributes to what makes SPSL so special, and helps maintain the Vision for our school.

As you enjoy this event virtually, please know that every dollar raised contributes to the continued execution of the Vision for our school, supports SPSL's commitment to excellence in academics, provides for our teachers' needs, maintains and improves facilities, and brings technology to the classroom so SPSL can continue to give our children the best possible education and prepare them for future success.

Again, thank you all for being part of this event and for your support. Please continue to pray for the success of our school and our community, and we will also be praying for you!

God's Blessings!

GIVE

What is GIVE?

GIVE raises money for school needs. You can contribute to GIVE any time after registering with Qtego by texting any dollar amount. For example, if you want to give \$100, respond to any Qtego text with GIVE 100. Your GIVE contribution is 100% tax deductible.

What is this year's GIVE goal?

\$12,000

How will St. Pius X / St. Leo School use GIVE funds?

Funds raised will go to our school operating budget which directly supports our teachers, students, and families - supporting what matters most at SPSL. As a result of COVID-19, there are a variety of increased expenditures for our school, including safety equipment for staff, added staffing to ensure small class sizes where social distancing is feasible, and additional hands-on learning materials to limit sharing of items by students. Your donation will help keep our students, teachers, and staff safe and assist with making 2020-21 a successful school year. Thank you for your generous support!

WISH LIST

Wishes really DO come true! The Wish List allows you to donate directly to specific grade levels and departments who then purchase the items. Our teachers are superheroes who have done so much for all of us, especially this year! Thank you for supporting SPSL teachers through Wish List!

To contribute, reply to any Qtego text with BUY, the three-digit item number, and the dollar amount you wish to donate. Your contribution is 100% tax deductible. (Example: Text BUY 100 50 to donate \$50 to Kindergarten Wish List items.) You can contribute to Wish List any time after registering with Qtego.

We would like to thank Kim Ramsey and Michaela Smith from the SPSL Development Team for their coaching, wisdom, and cheerleading throughout the entire process. We also offer a special thank you to all previous event chairs and specifically the 2019 event chairs - SPSL parents Stephanie Basham and Lori Rusch - who have set the bar very high for all future fundraisers! Your attention to detail in planning for your successors played a large role in the success of this year's event. We strive to do the same for future chairs!
