

Our 3 year old
Pre-Kindergarten Program
guides children in developing:

- An understanding about the love that Jesus has for each of them
- Basic social skills
- Vocabulary
- An awareness of printed material and love for reading
- Basic math skills
- Art and music skills
- Large and small motor skills

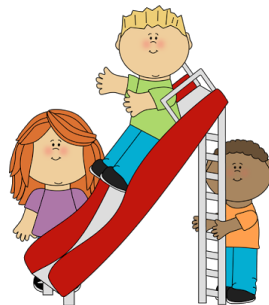

Through creative play and exposure to many engaging activities that promote learning, children learn about the world and relationships with others.

Our 3 year old Pre-Kindergarten Philosophy

Our program is based on the following:

- Young children have a strong natural desire to learn
- Young children need freedom to explore and be creative
- Young children need a developmental program for learning
- Teaching of children needs to be interactive
- Each child will be treated with the utmost dignity, respect, and care

*St. Pius X / St. Leo School admits students of
