

Our 4 year old  
Pre-Kindergarten Program  
guides children in developing:

- An understanding about the love that Jesus has for each of them
- Basic social skills
- Vocabulary
- An awareness of printed material and love for reading
- Pre-reading / handwriting skills
- Basic math skills
- Library experience
- Art and music skills
- Large and small motor skills
- Basic computer skills

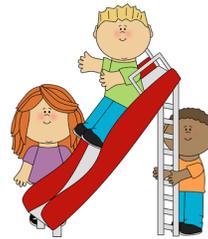

Through creative play and exposure to many engaging activities that promote learning, children learn about the world and relationships with others.

## Our 4 year old Pre-Kindergarten Philosophy

Our program is based on the following:

- Children are active learners
- Play provides the foundation for school learning
- Each child learns in unique ways
- Children learn best through developmentally appropriate practices
- Teaching of children needs to be interactive
- Each child will be treated with the utmost dignity, respect, and care
- The child's culture, family, and traditions are primary influences on development

*St. Pius X / St. Leo School admits students of  
any race, color, and national or ethnic origin.*
