

ST. PIUS X / ST. LEO SCHOOL AMBASSADOR PROGRAM

WHO: All parents who have a kindergarten student!

WHAT: The SPSL Kindergarten Ambassador Program! Here at SPSL, we know it's the connections we make that bring our school community together. That's why we've created Kindergarten Ambassadors, a mentorship program to help these connections along. Whether you are new to our school or a current SPSL family, we all benefit from sharing and learning from each other.

WHEN: The mentor partnership is created/created for the kindergarten year but our hope is that this friendship will last until 8th grade.

WHERE: The SPSL halls, parking lots and everywhere in between as well as our sponsored event Popsicles in the Park in August.

WHY: SPSL is a large school with an even larger community (including two parishes). We realize new families have many questions regarding the kindergarten program and our school in general. There's so much to learn! We have found that having a family as another resource is a great way to help you with your questions.

How: We will be the matchmakers! If you are new to our school, we want to welcome you in the best way we know how and our current SPSL families are eager to help. You will be paired with a fellow family that has a kindergartner just like you. And for those "seasoned" families, please consider becoming a Kindergarten Ambassador. We will be in touch!
